IN REPLY REFER TO
Code 641
1 July 1955

FOREWORD

1. This document contains contracts awarded for the construction of ships from 1 January 1934 to 1 July 1955:

PRIVATE SHIPYARDS - - - - - Pages 1 - 356
U. S. NAVAL SHIPYARDS AND
MISC. NAVAL ACTIVITIES - - - - - Pages 357 - 388

2. The information contained herein is as follows:

- (a) The data is arranged alphabetically by shipbuilder's name as awarded. If there has been a change in the shipbuilder's name the present and former name is shown.
- (b) Type and Number: Ships are listed under the type and hull number assigned the ship at time of completion.
- (c) Estimated cost: The estimated cost where available has been listed. It is the estimated contract construction and machinery cost, and in no way reflects the actual cost of construction of the ship.
- (d) Completion Date: This is the actual date the ship completed construction. If a ship was transferred to another yard for completion, the date of cancellation of award is shown in the completion column with an asterisk, and the completion date is shown under the builder completing the ship.
- (e) Tonnage: The tonnage shown is that tonnage estimated at the time of award. Standard displacement is shown for warships, and light displacement is shown for all other types.

3. It is planned to issue semi-annual changes to this publication, 1 January and 1 July. Inquiries concerning this publication or requests for additional copies, should be addressed to Chief, Bureau of Ships (Attention Code 641), Department of the Navy, Washington 25, D.C.

4. Contracts awarded for construction of small craft and small boats are published in Bureau of Ships Report #92, Code 641. Copies may be obtained upon request.
