To: The Vice Chief of Naval Operations.
SUBJECT: Standard Nomenclature and List of Naval Vessels.
Reference: (a) Buships let. S28-2(250c) of 8 July 1943.
Enclosure: (A) (herewith)
United States naval vessels (exclusive of naval aircraft) -
Standard Nomenclature and List as of 10 September 1943.

1. Enclosure (A), consisting of Standard Nomenclature approved to date, and a classified list of all naval vessels, completed, under construction, authorized, acquired, or to be acquired, exclusive of naval aircraft, together with an alphabetical list of vessels, is forwarded for information, and supersedes similar list forwarded as enclosure (A) of reference (a).
